Explanations

- 1 Consolidated vessel related charges are levied only once for one entry and one exit of a Vessel, irrespective of any change of her Name / Steamer Agent(s) / Owner(s), during the stay in the Port. However, the Vessel related charges will be levied again if the same Vessel is deployed for loading of cargo after completion of discharge of cargo irrespective of whether the vessel is shifted to anchorage or not for preparation of holds.
- 2 Vessel related charges will not be applicable in case of the following:
 - a. Any Vessel, which having left the Port Limits, is compelled to re-enter by stress of weather or in consequence of having sustained any damage;
 - b. Any Vessel leaving the Port Limits due to cyclone threat and re-enters.
- 3 Shifting Charges shall not be applicable if the Vessel is shifted for Port convenience. Under such circumstances, no extra Pilotage and Towage Charges will be applicable for repositioning of the Vessel.
- 4 Penal Berth Hire Charges shall be applicable in following cases :
 - (a) When Vessel is unable to commence cargo operations within 2 Hours of first line ashore.
 - (b) When vessel is not ready to sail (i.e. Fail to book outward pilot memo) after 2 hours from the time of completion of cargo.
 - (c) When any stoppage in cargo operation is more than 2 hours due failure of vessel equipment, idling at berth or for any other reason attributable to the vessel.
 - (d) When Vessel refuses to vacate the berth after 2 hours from the time notice is served by Port for any safety reasons.
- 5 **Pollution Containment Charges :-**

In case of Cargo oil spillage, Mob/ De-mob charges of oil spill containment resources and collection, Storage and disposal charges as to be decided by the port on case to case basis to be levied.
